SAIL UPDATE

July 2013

**A Chance to Learn about The Convention
on the Rights of People with Disabilities (CRPD)**

Nancy, an Intern with The Developmental Disabilities Council, gave a really good introduction to the CRPD. This convention is largely based on our own ADA and would extend many of the same rights to other people with disabilities around the world. Look for more on this later! Thank you Nancy! Well Done!

SAIL voted to partner with The Developmental Disabilities Council in a grant opportunity.
